Class 10 Board Exam Stress Buster Kit

Stay calm, stay focused, and walk into your exam with confidence!

Dear Class 10 Student & Parent 🙌

Exam stress is completely normal — and CBSE has officially recognised it. This kit is built **100% from CBSE's own stress-management resources** so you can face the 2026 boards with clarity, calm, and confidence.

CBSE's Official 5 A's to Control Exam Stress

1

Acknowledge

Accept that stress is natural. Every student feels it — you're not alone.

2

Appreciate

Focus on what you have already prepared instead of what is left.

3

Alleviate

Use relaxation techniques — deep breathing, short walks, short breaks.

4

Alter

Change negative thoughts into realistic ones. Rewrite the story in your head.

5

Avoid

Avoid last-minute cramming and comparison with others.

5 Instant Relief Techniques (CBSE Recommended)

1

Deep Breathing (5 seconds)

Shut your eyes → Inhale for 4 counts → Hold 4 → Exhale for 6. Repeat 5 times. CBSE calls this *"the quickest and most effective way."*

2

Progressive Muscle Relaxation

Tighten and release each muscle group (toes → face) for 5 seconds each. Reduces physical tension instantly.

3

4-7-8 Breathing

Inhale for 4 seconds → Hold breath for 7 seconds → Exhale slowly for 8 seconds. CBSE-endorsed relaxation technique.

4

Positive Self-Talk

Replace "I will fail" with "I am prepared and I will do my best." Your words shape your mindset.

7-Day Pre-Exam Daily Routine (CBSE Approved)

Sleep 7–8 hours every night — your brain consolidates memory during sleep!

Eat balanced meals and stay well hydrated throughout the day.

20–30 minutes of light exercise or a walk daily to clear your head.

Make a realistic timetable — 6–8 hours of study with regular breaks built in.

10 minutes of yoga or meditation each morning to start fresh.

In the Exam Hall — 60-Second Reset

When you feel nervous, do this:

- 1 Read the question paper calmly — don't rush.
- 2 Close your eyes and take 3 slow deep breaths.
- 3 Start with the questions you know best.

Powerful Affirmations (Say These Every Morning!)

"I am calm and focused"

"I have prepared well"

"One question at a time"

"This is just one exam"
