

The Board Exam Stress-Buster

A Survival Guide For Students & Parents

A Comprehensive, CBSE & NCERT-Backed toolkit to manage exam anxiety, establish healthy routines, and optimize performance during the **CBSE board season 2026**.

UNDERSTANDING THE PRESSURE

Stress is Normal; Panic is Optional

Stress doesn't mean you are unprepared, It means you care. The goal is Management, Not total Eliminations.

Common Stress Triggers

Pressure stems from fear of failure, parental expectations, peer comparison, last-minute syllabus panic, and excessive screen time.

THE 5-STEP STRESS RESET FRAMEWORK

1. ACKNOWLEDGE & 2. ACCESS

Accept that stress is okay, then write down exactly what is causing the anxiety (specific subjects or overthinking) to gain clarity.

3. ALLEVIATE & 4. ADJUST

Use quick tools like Deep-Breathing or Walking to calm down, Then fix your strategy by prioritizing weak subjects and creating a timetable.

5. AVOID NEGATIVE LOOPS

Stop comparing marks, avoid late night cramming, and cut out social media and negative self-talk.

CBSE RECOMMENDED DEEP BREATH TECHNIQUES

INSTANT CALM TECHNIQUES (2-5 MINUTES)

1. Inhale for 4s
2. Hold for 4s
3. Exhale for to 6s

To **slow** the heart rate and **improve** focus.

PROGRESSIVE MUSCLE RELAXATION (NCERT SUPPORTED)

Tighten feet, legs, hands, and shoulders for 5s, then release slowly

To **physically** discharge stress.

THE 7-DAY PRE-EXAM COUNTDOWN

7 TO 5 DAYS BEFORE
Finish the full syllabus, sample papers, and practice writing speed.

3 days to 1 Day Before
Focus strictly on revision (no new chapters), pack your stationary and prioritize 8 hour sleep.

DAILY HEALTH & AFFIRMATIONS

POSITIVE EXAM AFFIEMATIONS
Daily reminds: "I am calm and focused", "One question at a time" and "My marks do not define me."

The Daily Health Checklist
Ensure 7-8 hours of sleep, balanced meals, hydration and regular study breaks.

THE PARENT'S ROLE

What to Say?

What to Avoid
Avoid Comparisons and Pressure.

EXAM HALL: 60-SECOND RESET

Red flags for professional help

If child shows: Extreme panic, Frequent crying, Refusing to study,

The Four-Step Hall Strategy

Take 3 deep breaths, read full paper calmly, start with easy question and trust your prep.
